MARIE-JOSÉE VIGNOLA EXCELLENCE IN EDUCATION SCHOLARSHIP

INTRODUCTION
Marie-Josée Vignola is an alumna of the University of Ottawa Faculty of Education, having received a doctorate in 1994. She was a regular professor at the Faculty of Education from 1994 to 2022. Her teaching and research focused mainly on teaching French as a second language as well as the relationship to writing of francophones in minority settings. She was also coordinator of the BA program in second language teaching for 10 years. For her, this program is an excellent means to prepare for undergraduate studies in the Faculty of Education (whether it be in the Formation à l’enseignement or Teacher Education program). This is her reason for offering the scholarship.
