TERMS OF REFERENCE FOR AN ANNUAL FUND

NAME OF ANNUAL FUND

Airlie Foundation Award for Health Education

INTRODUCTION

The World Health Organization (WHO) defines health education as “any combination of learning experiences designed to help individuals and communities improve their health, by increasing their knowledge or influencing their attitudes.” This award recognizes the crucial impact of health education in combating HIV/AIDS, malaria, diabetes and other diseases. It is intended to support graduate students pursuing health education studies and research aimed at saving lives and improving quality of life internationally.

PURPOSE OF FUND

Award a scholarship to a graduate student from the Faculty of Education who demonstrates an interest in health education.
