Canadian National Energy Alliance STEM Scholarship for Indigenous Students

INTRODUCTION

The Canadian National Energy Alliance (CNEA) is a private sector consortium that represents some of the world's most experienced nuclear and engineering firms: AtkinsRéalis, Jacobs, and Fluor. CNEA was the contractor selected in 2015 by the Government of Canada to safely transform the Canadian Nuclear Laboratories (CNL) and secure Canada's role in the global nuclear marketplace on behalf of Atomic Energy of Canada Limited (AECL).

CNEA focuses on multiple key objectives: ensuring that Canada's world-class nuclear science and technology capabilities and knowledge at CNL continue to support federal government priorities in the areas of energy, health, safety and security, and environment; providing industry with access to nuclear science and technology expertise; managing Canada's radioactive waste and decommissioning responsibilities to reduce AECL's liabilities safely and cost effectively; and delivering an integrated capital and asset management program to revitalize CNL as a modern, world-class nuclear science and technology campus with safe, reliable and cost-efficient operations.

PURPOSE OF FUND

To support Indigenous undergraduate students at the Faculty of Science or the Faculty of Engineering who demonstrate financial need.

SCHOLARSHIP DETAILS

Eligibility criteria

Applicants must meet the following criteria:

- Be a Canadian citizen.
- Be enrolled as a full-time undergraduate student in the Faculty of Engineering or the Faculty of Science of the University of Ottawa.
- Demonstrate financial need, as determined by the Financial Aid and Awards Service of the University of Ottawa.
- Provide documented proof of Indigenous identity, in accordance with the requirements of the University of Ottawa Eligibility for Focused Admissions, Scholarships, and Bursaries for First Nations, Inuit, and Métis People administrative procedure.

Award value: \$3,000

Number of awards: Minimum 1

Award frequency: Annual

Level or program of study: Undergraduate

Application contact: Financial Aid and Awards Service

Application deadline: October 31

APPLICATION PROCEDURE
