

TERMS OF REFERENCE FOR AN ENDOWED FUND

NAME OF ENDOWED FUND

O 'Connor Associates Environmental Scholarship

INTRODUCTION

The fund was established by O'Connor Associates Environmental Inc., a progressive, independent, Canadian environmental engineering consulting firm. Drawing upon 20 years of engineering and consulting experience, it provides clients with solutions to complex environmental problems.

PURPOSE OF FUND

To provide a scholarship to a student registered in the Department of Earth and Environmental Sciences at the Faculty of Science at the University of Ottawa presenting an honours research project that will make an important contribution in the field of environmental science.

SCHOLARSHIP DETAILS

Eligibility Criteria

The applicant must:

1. be a Canadian citizen, a permanent resident, a person with the protected/refugee status or an international student;
2. be enrolled as a full-time or part-time student in the fourth year of a program in the Department of Earth and Environmental Sciences at the Faculty of Science of the University of Ottawa; and
3. be presenting an honours research project that will make an important contribution in the field of environmental science.

Value of the award: Minimum \$1000

Number of awards: Variable

Frequency of the award: Annual

Level or program of study: Undergraduate
