

TERMS OF REFERENCE

Name of Endowed Fund

Science Students Association Most Improved Student Award

INTRODUCTION

The Science Students Association funds were established in 2003 by the association in accordance with its 2002 referendum, while Professor Christian Detellier was dean of the Faculty of Science. Scholarships are available for Faculty of Science undergraduate students. The fund for the Science Students Association Most Improved Student Award was endowed in 2010.

PURPOSE OF FUND

To award scholarships to undergraduate students at the Faculty of Science who have demonstrated the highest level of improvement.

SCHOLARSHIP DETAILS

Eligibility criteria

Applicants must meet the following criteria:

- Be a Canadian citizen, a permanent resident, a person with protected or refugee status, or an international student
- Be enrolled full-time in the second, third or fourth year of an undergraduate program at the Faculty of Science of the University of Ottawa
- Be enrolled for the upcoming Fall term
- Have achieved the highest "improvement factor (I.F.)," calculated as follows:
I.F. = most recent TGPA – (minus) TGPA of the first term of the first year of study (summer term TGPA is not considered unless the applicant is a full-time student and demonstrates a continuous trend of improvement over the years)
- Be in good academic standing
