## **TITLE OF ENDOWED FUND**

J. Léopold Vachon Fund

## **INTRODUCTION**

Claudette, Jean-Pierre, Pierrette, Raymond and Raymonde created this fund to honour their father, professor emeritus J. Léopold Vachon.

By establishing the J. Léopold Vachon fund, his children wanted to show their gratitude for his kindness and to share with less fortunate students the opportunity they had to be the object of his love, devotion and generosity. The goal of this fund is to encourage women who are Canadian citizens or permanent residents to study mathematics in French.

The donor wishes to thank the Alumni Association and the Government of Ontario who helped create this fund through their generous matching contribution.
