G.B. “Hap” Nicholds Memorial Scholarship

INTRODUCTION

This scholarship was established by the Nicholds family to honour the memory of Hap Nicholds, who died unexpectedly in February 2007 at the age of 68. Mr. Nicholds was born in Ottawa in 1938 and was a lifetime resident of the city. At the time of his death, he was the retired President of Dollco Printing, a company that had become an essential business resource for magazine publishers and product marketers in Canada. He and his brother, Barry Nicholds, had owned and managed the business since 1976 when they purchased it from their father, G.H. Nicholds. For 35 years Mr. Nicholds led Dollco's successful efforts developing business in regional and national markets. He drove the company's investments in technology and new markets and had enduring relationships with many leaders in Canada's magazine publishing industry. Mr. Nicholds' work ethic was legendary, and his respect for his employees was palpable. His presence was felt daily by employees even as the company grew significantly to 300 people. Following Mr. Nicholds' death, his family selected the University of Ottawa for the scholarship fund because of the shared links between the family, the University, and the Ottawa community. Members of the Nicholds family are alumni of the university, including Mr. Nicholds' wife, Deirdre Maynard Nicholds, who graduated in 1989 with a B. A. in Art History and Art Theory, and his daughter, Krista Nicholds, who obtained an M.A. in Science Politique in 1994. The Nicholds family also strongly supports the bilingual nature of the University of Ottawa, and values the work it does in bringing French and English speakers together. The family members wish to thank the Government of Ontario who helped create this fund through their generous matching contributions.
