Physical Resources Service Employees' Scholarship

INTRODUCTION

Employees of the University of Ottawa all hope their day-to-day efforts contribute to creating an exceptional experience for students during their time here. They walk among their students all year long on campus, handle things for them and take care of their requests—they are their children, their nieces, their nephews; they are the children of their colleagues, the alumni and their friends. They are proud to be the face of this university and to create meaningful connections with and for their students.

PURPOSE OF FUND

This scholarship provides financial assistance to students in programs that focus on the environment and sustainable development.
