

## TERMS OF REFERENCE FOR AN ENDOWED FUND

### NAME OF ENDOWMENT FUND (OSOTF<sup>1</sup>)

#### Emilie Frenkel Award

### INTRODUCTION

This fund was established in 2003 by Dr. Vivien Frenkel in memory of her aunt Ms. Emilie Frenkel. It is Dr. Frenkel's wish to provide a lasting tribute to her aunt who suffered from rheumatoid arthritis, in the hope that future students will assist in finding ways to eradicate the disease or finding solutions to allow those that suffer to enjoy their life to the fullest. This fund was established with the collaboration of Dr. Frenkel's good friend and rheumatologist, Dr. Rose Goldstein who was Vice-Dean of the Faculty of Medicine at the time of establishment of this award. Emilie Frenkel lived her adult life in Montreal and Toronto. She will always be remembered by her nieces and nephews and family, as she served as a great support to them. Emilie came to Canada after fleeing to England from Nazi Europe. She developed severe rheumatoid arthritis, and suffered many complications. The donor wishes to thank the Government of Ontario its matching contribution.

### PURPOSE OF FUND

Provide financial assistance to an undergraduate or graduate medical student at the University of Ottawa, with preference to a medical student doing a summer research project related to the field of Arthritis, and who qualifies under the terms established by the Ontario Student Opportunity Trust Fund.
